Notice of Fee Increase on January 1, 2003

If a reply to a "Notice of Allowance and Fee(s) Due" is filed in the Office on or after January 1, 2003, then the amount due will be higher than that set forth in the "Notice of Allowance and Fee(s) Due" since there will be an increase in fees effective on January 1, 2003. See Revision of Patent and Trademark Fees for Fiscal Year 2003; Final Rule, 67 Fed. Reg. 70847, 70849 (November 27, 2002).

The current fee schedule is accessible from: <http://www.uspto.gov/main/howtofees.htm>.

If the issue fee paid is the amount shown on the "Notice of Allowance and Fee(s) Due," but not the correct amount in view of the fee increase, a "Notice to Pay Balance of Issue Fee" will be mailed to applicant. In order to avoid processing delays associated with mailing of a "Notice to Pay Balance of Issue Fee," if the response to the Notice of Allowance and Fee(s) due form is to be filed on or after January 1, 2003 (or mailed with a certificate of mailing on or after January 1, 2003), the issue fee paid should be the fee that is required at the time the fee is paid. If the issue fee was previously paid, and the response to the "Notice of Allowance and Fee(s) Due" includes a request to apply a previously-paid issue fee to the issue fee now due, then the difference between the issue fee amount at the time the response is filed and the previously paid issue fee should be paid. See Manual of Patent Examining Procedure, Section 1308.01 (Eighth Edition, August 2001).

Questions relating to issue and publication fee payments should be directed to the Customer Service Center of the Office of Patent Publication at (703) 305-8283.

DETAILED ACTION

Allowable Subject Matter

Claims 1-13 and 16-19 are allowed.

Examiner's Reasons for Allowance

See pages 7-9 of the Office action, mailed on November 20, 2002 as Paper No. 21 for additional details.

Moreover, applicant's claimed invention also patentably distinguishes over the prior art of record Phillips et al. (U.S. Patent No. 5,870,459) ("Phillips"). Phillips discloses a prepaid telephone account system that "monitors the period of use" (abstract) however the system monitors the period of use by monitoring the duration of individual calls (Fig. 4B, steps 326 and col. 15, lines 58-65). Therefore, Phillips teaches away from the applicant's claim limitations directed to monitoring the period of prepaid service without monitoring the period a duration of individual prepaid telephone calls. In addition, Phillips fails to disclose other claim limitations directed to sending a suspend message to the telephone network comprising an instruction to suspend the subscriber's local telephone service and directed to placing the subscriber's account on hold maintained in an inactive state.

Art Unit: 2645

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

The examiner notes the applicant's comments on page 2 of the amendment, filed on February 18, 2003 as Paper No. 23.

Drawings

The application having been allowed, formal drawings are required in response to this Office Action.
